

HOW TO BE A GREAT YWIIH BASS

The Basics:

- Posture-head/body alignment
- Breathing
- Warming up the instrument
- Right notes, with skillfully sung intervals
- Right words
- Right rhythms

Characteristics of a Bass:

- resonance
- authoritative
- sense of rhythm
- range
- lyrical approach
- clean intervals
- head voice
- energy
- maintains tonal center
- intune singing

Finding your pitch - and tuning it accurately

Staying vocally free in and out of your range

Avoiding scooping and inaccurate attacks

Singing all the way to the end of the line-breath support for lift and energy

Watch for octave with tenors and baritones

Upward leaps
